ANNEXURE TO THE AUDITORS' REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER SECTION 143(3)(i) OF THE COMPANIES ACT, 2013

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date on the Financial Statements of **INDIAN COUNCIL OF CERAMIC TILES & SANITARYWARE** as at and for the year ended 31st March, 2017)

Report on the Financial Statements

1. We have audited the Internal Financial Controls over financial reporting of **INDIAN COUNCIL OF CERAMIC TILES & SANITARYWARE** (the Council) as at 31st March 2017, in conjunction with our audit of the financial statements of the Council for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Management of the Council is responsible for establishing and maintaining internal financial controls based on the Internal Financial Controls over financial reporting criteria established by the Council considering the essential components of internal financial controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Council's activities, including adherence to Council's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Council's Internal Financial Controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards of Auditing ('Standards') issued by the ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls over financial reporting and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls System over financial reporting and their operating effectiveness. Our audit of Internal Financial Controls over financial reporting included obtaining an understanding of Internal Financial Controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Council's Internal Financial Controls System over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. Internal Financial Controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with generally accepted accounting principles. Internal Financial Controls over financial reporting includes those policies and procedures that (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Council; (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Council are being made only in accordance with authorisations of management and directors of the Council and (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Council's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over financial reporting to future periods are subject to the risk that the Internal Financial Controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Council has, in all material respects, an adequate Internal Financial Controls System over financial reporting and such Internal Financial Controls over financial reporting were operating effectively as at 31st March, 2017, based on the Internal Controls over financial reporting criteria established by the Council considering the essential components of Internal Financial Controls stated in the Guidance Note issued by the ICAI.
